

```
function main()
    counter=0,c=0
    read(n)
    arr[n];
    for i=0 to n
        read(arr[i])
        if(arr[i]>=0)
            counter++
            c+=arr[i]
    print(c,counter)
```
